OUR NORMS IN ACTION

How We Learn Every Day

RESPECTFUL

- Value different career paths, choices and aspirations.
- Show respect during workplace visits, talks and interviews.
- Be considerate and professional with employers and visitors.

RESPONSIVE

- Be ready to learn about new industries and opportunities.
- Act on feedback and guidance (e.g. careers interviews).
- Keep an open mind and explore different pathways.

RESOLUTE

- Stay determined to achieve your goals.
- Persevere through challenges (e.g. applications or interviews).
- Be resilient, learn from setbacks and keep moving forward.

OUR VALUES IN ACTION

In our Careers programme, we demonstrate the six Nuneaton Academy Values through our choices, experiences and future planning.

AMBITION

- Set high goals for your future.
- Explore a wide range of career opportunities.
- Be prepared to take the next step.

CONFIDENCE

- Build self-belief and try new experiences.
- Develop employability skills (e.g. communication, teamwork, problem-solving).
- Be confident when making decisions about your future.

CREATIVITY

- Explore a variety of industries and job roles.
- Think of new ideas and solutions to real-world challenges.
- Show initiative in projects, workshops and work experience.

RESPECT

- Value all career routes equally (e.g. academic, vocational, apprenticeship, employment).
- Respect the expertise and experiences of employers and visitors.

ENTHUSIASM

- Get involved in careers events and experiences.
- Show a positive attitude to new opportunities.
- Be curious about different industries and the world of work.

DETERMINATION

- Take responsibility for your next steps (e.g. applications, CVs, work experience).
- Keep going, even if things are challenging.
- Be focused on building the skills and experience for your chosen future.
