OUR NORMS IN ACTION

How We Learn Every Day

RESPECTFUL

- Listen to children, staff and others.
- Value everyone's ideas and needs.
- Show kindness, patience and understanding.

RESPONSIVE

- Be ready to learn new skills.
- Act on feedback to improve your practice.
- Adapt to children's different needs and interests.

RESOLUTE

- Persevere when things are challenging.
- Learn from mistakes and keep improving.
- Show determination to develop your skills and knowledge.

OUR VALUES IN ACTION

In our Childcare lessons, we demonstrate the six Nuneaton Academy Values through our care, attitude and approach to learning.

AMBITION

- Set high goals for your learning and future.
- Aim for a career that makes a positive difference.
- Explore pathways in childcare, health and education.

CONFIDENCE

- Build confidence when working with children.
- Try new activities and lead with a positive attitude.
- Believe in your ability to make a difference.

CREATIVITY

- Plan and deliver fun, engaging activities.
- Use imagination to support children's learning and development.
- Find new ways to meet individual needs.

RESPECT

- Value and care for every child and their family.
- Celebrate differences and promote inclusion.
- Treat people with dignity and professionalism.

ENTHUSIASM

- Show a positive, caring and energetic attitude.
- Get involved in practical activities and teamwork.
- Share a love of working with children.

DETERMINATION

- Keep going and develop your skills over time.
- Be resilient and adapt to different situations.
- Work hard to achieve your childcare goals (e.g. qualifications, apprenticesbip or further study).
