MATHS | CHARACTER IN MATHS

CALCULATE • REASON • SOLVE • EXPLAIN

Character is your superpower

Be Creative • Make a Difference • Skills for Life

In Maths we use our Norms, Values and Character every day to solve problems, think logically, and be resilient.

Future

OUR NORMS IN ACTION

How We Learn Every Day

RESPECTFUL

- Listen to others' ideas and explanations.
- Value different methods and approaches.
- Work well and fairly in a team.

RESPONSIVE

- Be ready to learn and take part.
- Act on feedback to improve.
- Embrace new strategies and challenges.

RESOLUTE

- Persevere with challenging problems.
- Learn from mistakes.
- Keep going to find and improve a solution.

OUR VALUES IN ACTION

In our Maths lessons, we demonstrate the six Nuneaton Academy Values through our creativity, attitudes and approach to learning.

AMBITION

- Aim high and set challenging targets.
- Tackle more complex problems.
- See how Maths opens up future opportunities.

CONFIDENCE

- Believe in our ability to succeed.
- Explain our thinking clearly.
- Have a go, even when it's difficult.

CREATIVITY

- Explore different ways to solve problems.
- Look for patterns and make connections.
- Use reasoning to find original solutions.

RESPECT

- Value different methods and solutions.
- Listen to and learn from others.
- Be considerate and supportive.

ENTHUSIASM

- Take an active part in lessons and activities.
- Show curiosity and a love of problem-solving.
- Share ideas and celebrate success.

DETERMINATION

- Keep going when problems are challenging.
- Learn from feedback and try again.
- Strive to improve our accuracy and fluency.
