# PHOTOGRAPHY | CHARACTER IN PHOTOGRAPHY

**Character is your superpower**

CAPTURE • PERSPECTIVES • TELL STORIES

Be Creative • Make a Difference • Skills for Life

In Photography we use our Norms, Values and Character every day to capture, create and tell stories.

## OUR NORMS IN ACTION

### How We Learn Every Day

### RESPECTFUL

- Listen actively and respect different viewpoints.
- Value others' ideas and photographs.
- Take pride in our equipment, work and learning environment.

### RESPONSIVE

- Be ready to learn.
- Act on feedback to improve our work.
- Embrace creative challenges and try new techniques.

### RESOLUTE

- Persevere through difficulty.
- Learn from mistakes.
- Never give up on improvement.

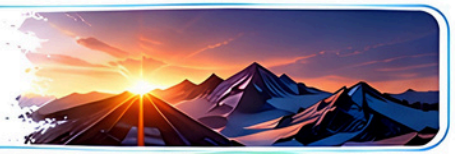

## OUR VALUES IN ACTION

In our Photography lessons, we demonstrate the six Nuneaton Academy Values through our creativity, attitudes and approach to learning.

### AMBITION

- Aim high with our creative ideas and outcomes.
- Set challenging photographic goals.
- Take pride in producing high-quality images.

### CONFIDENCE

- Believe in our creative abilities and potential.
- Share and explain our photographic ideas.
- Try unfamiliar equipment and techniques.

### CREATIVITY

- Explore imaginative and original ideas.
- Experiment with different techniques and edits.
- Take creative risks and think differently.

### RESPECT

- Value different photographic styles, cultures and viewpoints.
- Listen respectfully during discussions and critiques.
- Treat equipment and each other with care.

### ENTHUSIASM

- Approach lessons with a positive attitude.
- Stay engaged and curious about new ideas.
- Show excitement when exploring photographers and new techniques.

### DETERMINATION

- Persevere when photographic tasks are challenging.
- Learn from mistakes and use feedback to improve.
- Refine and develop our work to a high standard.
