Dear Parent/Carer

Pupils in Year 10 will be required to access lessons remotely on Friday 15<sup>th</sup> and Monday 18<sup>th</sup> October due to an increase in the number of COVID-19 cases that are affecting our pupils and staff. **The only Year 10 pupils required on site on these days will be those in our Inclusion Provision. These pupils have also been spoken to separately this afternoon.**

I have met with pupils this afternoon in an assembly and have talked this through with them, including our expectations of learning whilst at home and information on how to access this.

### **Remote Learning**

Remote Learning will be delivered via Microsoft Teams. This was explained to pupils this afternoon and we have set up a new 'Team' for pupils, which they have access to. If you require any support logging into this, please follow the link below and someone will be in touch as soon as possible to ensure pupils can access this. There is a timetable in this Team and pupils are expected to access and complete all work over the two days.

### **Free School Meals**

Pupils in receipt of Free School Meals will receive a voucher via text message from Wand.

Pupils are expected back on site as normal on **Tuesday 19<sup>th</sup> October.**

Thank you for your continued support.

Kind regards
