

Edexcel GCSE Mathematics 1MA1

The course is assessed by 3 examination papers
Each paper is worth 80 marks and contribute equally to the final grade.

Paper 1 is non-calculator

Paper 2 and Paper 3 both allow the use of calculators

All papers cover the key areas of the specification:

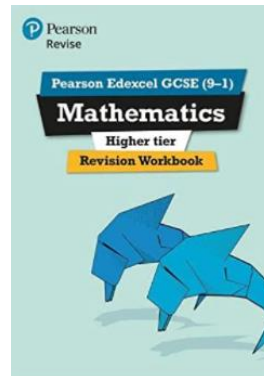

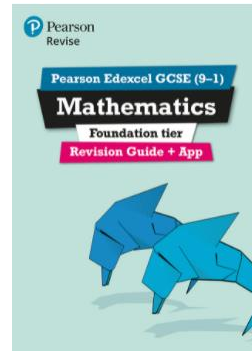

- Number
- Algebra
- Ratio & Proportion
- Geometry
- Statistics and Probability

The more maths you do the better you will become.

The more you work on your weaker topics the greater your improvement will be.

Talk to your teacher to find out what topics you need to be working on.

If you need any assistance with any work or logging into HegartyMaths or JustMaths – please email:
david.gibson@midlandat.co.uk

Copies of the Pearson Revision Guides with online App and Workbooks have been purchased for you.

To revise a topic using these read through the revision guide, then turn to the same page number in the Workbook to answer questions on that topic.
