Our Ref: PGI/AH

22nd March 2023

Dear Parent/Carer,

We are delighted that your child will be joining us in September. It is an exciting time for the staff at Nuneaton Academy and we have already been busy planning for their arrival. The purpose of our transition programme is to ensure that our new pupils, and you as their parents/carers, are fully supported.

We thought it would be useful to let you have an outline of the process and provide some key dates for your diaries. These are at the end of this letter. If activities do change, we will communicate this to you through your child's Primary School or on our website.

An area has been set up on our website specifically for the Year 6 into Year 7 transition. This will be updated over the course of the next few months but already contains important dates and links to key information. Please have a look:

We want to make it as easy as possible for you to contact us, so we have set up a dedicated email address for any queries you or your child may have.

We have also enclosed a letter for your child. We realise that this is an exciting time but appreciate that both and your child may have something that they are worried about. We will be able to address these concerns with the children during the Primary School visits that we will be arranging, however, please do not hesitate to contact us if there is anything they wish to know in the meantime.

We look forward to meeting you and your child in the coming months.

Yours sincerely
